TUESDAY EVENING, JUNE 6.

**ALLEGED CRUELTY TO TURTLES.**—Mr. Eugene G. Backford, the wholesale fish dealer in Fulton Market, was on Saturday brought before Justice Waddell, at the Tombs, for alleged inhuman treatment of thirty nine turtles. Mr. Bergh appeared in person to prosecute. Mr. Backford asserted that the turtles suffered less on their backs, "dry shod," than they would were they free to crawl about in tanks of water. He also alleged that they were inhumanely to pain. Mr. Bergh answered by quoting the opinion of the late Prof. Agassiz, who has said that turtles are the most sensitive of animals. Judge Waddell decided to refer the case to the Court of General Sessions, and fixed Mr. Backford's bail at \$300.—*New York Journal of Commerce.*

The wife of Mr. Joseph McCusky, Cumberland, Ky., was awoken the other night by something passing over her. Passing her hand around and feeling nothing, she was about to go to sleep, when a rattlesnake crept up to her, and coiled up by her pillow she beheld a large rattlesnake. Almost paralyzed at the sight, she for a moment knew not what to do, but the mother's love overcame her, and she speedily dispatched him. Her baby and two little children were in bed with her. The snake, when discovered, was balanced for a stroke.

**THE ALEXANDRIA GAZETTE AND VIRGINIA ADVERTISER** will soon celebrate its centennial year. More than three quarters of a century ago it grew into life, and grew with the needs of the people of this section of Virginia.

During all this period its prominent object has been to advance the interests of the people of whose life it is the daily chronicle. Its fortunes have been their fortunes; it has shared their prosperity and suffered in their disasters. Its inspiration has been the desire to forward the best interests of the community in which it is located, and its own prosperity is, as it has been, a by-product of its service.

The past of the Gazette is a record of its growth. It has never failed to avail itself promptly of all the improvements which come with the greater growth and more extended experience of Journalism. Every year NEW FEATURES will be added.

**THE GAZETTE MEANS TO BE THE NEWSPAPER OF VIRGINIA.** It will furnish daily a complete account, with superlatives only lopped away, of all the current news of the world.

As the interests of the people mainly centre at home, no pains will be spared to chronic all matters occurring in the city and neighborhood, carefully extending unbecomingly expressions or gross narrative as unfit for a journal that is treasured at many thousand households of Virginia.

Special attention will be devoted to presenting as well from original sources of information as from its exchanges, the news of Virginia, especially such as relate to the development of the resources of the State.

Its continuity to Washington gives the Gazette an early and prompt view of the operations of the General Government, now of such vital importance to the people of the South. The proceedings of Congress, seldom so interesting as now, will be regularly reported in succinct form for its columns, but all matters of especial interest in Virginia will be given in detail, and the full text of all bills of local interest will be given.

From the State Capital it will receive early and accurate accounts of the proceedings of the General Assembly and of all the operations of the State government likely to interest the people.

In its Commercial columns the special feature will be promptness and accuracy. The turners, drovers and commercial people of the State know they MAY DEPEND upon the Gazette.

Early and reliable reports of the Grain, Cattle, and other Markets will be furnished, and the prices and position of the stocks, which are the subjects of business transactions in this section of the country, carefully quoted.

The continual labors of those who have once used the Gazette as an advertising medium is a warrant for saying that it pays to advertise in its columns. Never before did it pay so well to tell the public what is for sale.

**ENCOURAGE HOME MANUFACTURE.**  
I am now manufacturing a good and cheap PAINT, of several colors, the body of which is equal to Lead and Oil, which for tin roofs, barns, stables, fences, &c., will be found very suitable as well as economical, and an improvement on the ordinary white paint now in the market. For brick walls with a northern exposure it will act as a preventive to dampness. For iron it makes a solid and lasting coating, impervious to moisture and a preventive of rust. Being of various colors, the color and finish can be painted to suit. This Paint has been used by one railroad company and by many of the farmers in this vicinity, and is highly recommended by all who have tried it. Price, single gallon, 75c. 10 gallons \$6 per gal. 1 lb. or 40 gallons, 90c per gal. Call and examine samples at 85 King st., under Sargeant Hall.
